

## **Joris Link**

### **Bio**

Joris Link (1979) received his education at the Academy for art and design, 's-Hertogenbosch in the Netherlands. He has been exhibiting his work since 2001 in the Netherlands and abroad. After finishing his education, he worked for several years at The European Ceramics Workcentre (EKWC) while learning a lot about all facets of ceramics. In more recent years he started sharing his knowledge and experience through Instagram and giving workshops on mold making.
