CREATIVITY. EDUCATION. CONNECTION.

BRINGING ART TO LIFE IN THE COMMUNITY.

For more than 50 years, The Center for Contemporary Art has served our community through exceptional exhibitions, arts education, and creative experiences. As stewards of the historic Pluckemin Schoolhouse, we preserve not only a landmark, but a place where creativity flourishes and community comes together.

Our mission is to provide a vibrant, contemporary cultural center through arts education, exhibitions and community partnerships that will inspire creativity and enhance people's lives.
